

Tedious adults tell children to be better at reading. I, Loki, god of mischief, instruct you to be a terrible reader instead...

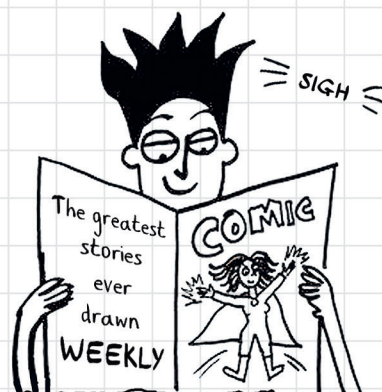

1. READ BOOKS THAT ARE A BAD INFLUENCE

2. READ SHORT, EASY BOOKS TO ANNOY ADULTS

3. READ PICTURES

4. READ WITH YOUR EARS

5. DON'T BOTHER FINISHING BOOKS YOU HATE

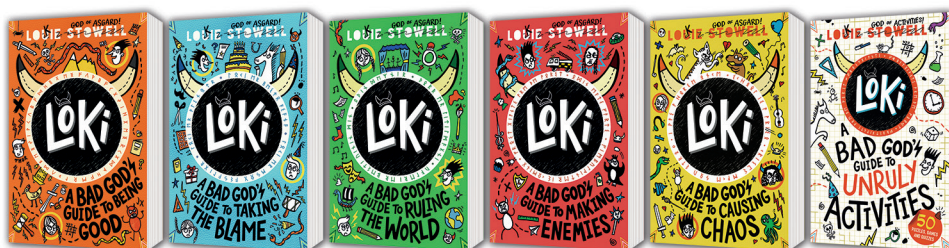

6. GET OFF YOUR SCREENS? NO! READ ON THEM!

Read whatever (and however) you want, you wicked creature. Read like a Bad God!

WARNING! Follow Loki's advice at your peril. He's a terrible influence.

You could even read books about ME!
